

Route 263 Reconciliation - Conflict Report

Cycle: 2026-08-16 14:37:40 BST | 0 suspect 6 field conflict(s) 5 possible cancellation(s)

FIELD CONFLICTS

bus YX74OJE -> Piccadilly Gardens (final destination)

position: 53.4474, -2.3054
next stop: Altrincham Interchange (scheduled 14:10:00)
eta calc: no prior position yet, cant derive speed

field: start_time_date

live feed:	20260816 13:10:00
warehouse:	expected ~14:10:00
verdict:	DATA QUALITY FLAG - flagged, no value picked
source:	confirmed

recon logic: start time drift -3600s
to clear: 1/3 consecutive conflicts so far - 2 more disagreeing cycles before this freezes; one clean cycle clears it back to normal right now

bus YX74OJJ -> Altrincham Interchange (final destination)

position: 53.4586, -2.2933
next stop: Piccadilly Gardens (scheduled 14:11:00)
eta calc: no prior position yet, cant derive speed

field: start_time_date

live feed:	20260816 13:11:00
warehouse:	expected ~14:11:00
verdict:	DATA QUALITY FLAG - flagged, no value picked
source:	confirmed

recon logic: start time drift -3600s
to clear: 1/3 consecutive conflicts so far - 2 more disagreeing cycles before this freezes; one clean cycle clears it back to normal right now

bus YX74OJT -> Altrincham Interchange (final destination)

position: 53.3882, -2.3472
next stop: Piccadilly Gardens (scheduled 13:41:00)
eta calc: no prior position yet, cant derive speed

field: start_time_date

live feed:	20260816 12:41:00
warehouse:	expected ~13:41:00
verdict:	DATA QUALITY FLAG - flagged, no value picked
source:	confirmed

recon logic: start time drift -3600s
to clear: 1/3 consecutive conflicts so far - 2 more disagreeing cycles before this freezes; one clean cycle clears it back to normal right now

bus YX74OKA -> Altrincham Interchange (final destination)

position: 53.4805, -2.2381
next stop: Charlotte Street (scheduled 14:42:00)
eta calc: no prior position yet, cant derive speed

field: arrival_timing

live feed:	-215s
