

Route 263 Reconciliation - Conflict Report

Cycle: 2026-08-16 14:47:40 BST | 0 suspect 5 field conflict(s) 3 possible cancellation(s)

FIELD CONFLICTS

bus YX74OJE -> Piccadilly Gardens (final destination)

position: 53.4628, -2.2736
next stop: Altrincham Interchange (scheduled 14:10:00)
eta calc: next scheduled stop (Altrincham Interchange) is 9729m away - too far to be genuinely 'next', tracking is probably stale

field: start_time_date	
live feed:	20260816 13:10:00
warehouse:	expected ~14:10:00
verdict:	DATA QUALITY FLAG - flagged, no value picked
source:	confirmed

recon logic: start time drift -3600s
to clear: 2/3 consecutive conflicts so far - 1 more disagreeing cycle before this freezes; one clean cycle clears it back to normal right now

bus YX74OJJ -> Altrincham Interchange (final destination)

position: 53.4277, -2.3230
next stop: Piccadilly Gardens (scheduled 14:11:00)
eta calc: next scheduled stop (Piccadilly Gardens) is 8133m away - too far to be genuinely 'next', tracking is probably stale

field: start_time_date	
live feed:	20260816 13:11:00
warehouse:	expected ~14:11:00
verdict:	DATA QUALITY FLAG - flagged, no value picked
source:	confirmed

recon logic: start time drift -3600s
to clear: 2/3 consecutive conflicts so far - 1 more disagreeing cycle before this freezes; one clean cycle clears it back to normal right now

bus YX74OKA -> Altrincham Interchange (final destination)

position: 53.4735, -2.2402
next stop: Oxford House (scheduled 14:45:00)
eta calc: 1.3 m/s over last 598s, 198m straight-line to Oxford House

field: arrival_timing	
live feed:	+203s
warehouse:	14:44:00
verdict:	LIVE WINS - live feed is the resolved value
resolved:	+203s
source:	confirmed

recon logic: observed +203s vs scheduled at Oxford Road Station (seq 4)
to clear: 2/3 consecutive conflicts so far - 1 more disagreeing cycle before this freezes; one clean cycle clears it back to normal right now

field: departure_timing	
live feed:	+203s
warehouse:	14:44:00
verdict:	LIVE WINS - live feed is the resolved value
resolved:	+203s
source:	confirmed
