

Route 263 Reconciliation - Conflict Report

Cycle: 2026-08-16 15:27:42 BST | 0 suspect 3 field conflict(s) 1 possible cancellation(s)

FIELD CONFLICTS

bus YX74OJE -> Altrincham Interchange (final destination)

position: 53.4629, -2.2778
next stop: Royal Northern College of Music (scheduled 15:18:00)
eta calc: next scheduled stop (Royal Northern College of Music) is 2799m away - too far to be genuinely 'next', tracking is probably stale

field: start_time_date	
live feed:	20260816 14:11:00
warehouse:	expected ~15:11:00
verdict:	DATA QUALITY FLAG - flagged, no value picked
source:	confirmed
<i>recon logic: start time drift -3600s</i>	
to clear: 2/3 consecutive conflicts so far - 1 more disagreeing cycle before this freezes; one clean cycle clears it back to normal right now	

bus YX74OJJ -> Piccadilly Gardens (final destination)

position: 53.4308, -2.3196
next stop: Altrincham Interchange (scheduled 15:10:00)
eta calc: next scheduled stop (Altrincham Interchange) is 5186m away - too far to be genuinely 'next', tracking is probably stale

field: start_time_date	
live feed:	20260816 14:10:00
warehouse:	expected ~15:10:00
verdict:	DATA QUALITY FLAG - flagged, no value picked
source:	confirmed
<i>recon logic: start time drift -3600s</i>	
to clear: 1/3 consecutive conflicts so far - 2 more disagreeing cycles before this freezes; one clean cycle clears it back to normal right now	

bus YX74OJT -> Piccadilly Gardens (final destination)

position: 53.4683, -2.2363
next stop: Altrincham Interchange (scheduled 14:40:00)
eta calc: next scheduled stop (Altrincham Interchange) is 11650m away - too far to be genuinely 'next', tracking is probably stale

field: start_time_date	
live feed:	20260816 13:40:00
warehouse:	expected ~14:40:00
verdict:	FROZEN - MANUAL REVIEW REQUIRED
source:	confirmed
<i>recon logic: frozen at last resolved value (3 cycles in review). start time drift -3600s</i>	
to clear: frozen after 4 consecutive conflicts - clears in exactly 1 clean CONFIRMED cycle (a clean ESTIMATED cycle alone cant clear it)	

POSSIBLE CANCELLATIONS (scheduled, never seen live, past grace period)

VJ2f21dcb20f4e892a0d0ee0... frozen at last resolved value (5 cycles in review). scheduled trip never appeared live, 107 min past scheduled start - possible cancellation
to clear: frozen after 6 consecutive conflicts - clears in exactly 1 clean CONFIRMED cycle (a clean ESTIMATED cycle alone cant clear it)
